

TRANE XR14 AIR CONDITIONER

Trane-ability

- ≡ Industry leader and brand reputation
- ≡ Precision engineering
- ≡ Approved matched systems

Install-ability

- ≡ Quick-Sess™ cabinet
- ≡ Easy-access service valves

Service-ability

- ≡ Easy single-side access
- ≡ Easy top and fan removal
- ≡ Refrigerant components outside of coil
- ≡ Easy coil cleaning
- ≡ Roto-lock fittings/no brazing
- ≡ Standardized component locations
- ≡ Full-length control and service valve cover

Performance-ability

- ≡ Efficient, up to 15.00 SEER
- ≡ Spine Fin™ coil
- ≡ Climatuff® compressor

Rely-ability

- ≡ SEET tested
- ≡ Factory-installed liquid line filter drier
- ≡ Quality components
- ≡ Tougher validation and design criteria

It's Hard To Stop A Trane.®

TRANE LIMITED WARRANTY

- 10-year compressor
- 10-year outdoor coil
- 5-year functional parts

HIGHER EFFICIENCY, HIGHER COMFORT.

The TRANE XR14 provides exceptional, cool comfort for your home. With a SEER that exceeds the new federal regulations minimum, the XR14 has many of the same **technical advancements** and **innovative features** as our top-of-the-line super-efficiency units, but at a price that'll **appeal to a wider range of customers**. And because the XR14 is so efficient, we can promise

that this **reasonable initial investment** will yield **substantial savings on cooling bills** over time. As with all our products, the XR14s have proven themselves in the Systems Extreme Environmental Test (SEET) lab, where only the **strong survive**. That's something you a will be very comfortable with.

Reliable performance

Precision engineering, design innovation and rigorous testing for reliable, long-lasting performance and durability.

Better indoor air

Add a TRANE CleanEffects™ air filtration system and remove up to 99.98% of airborne allergens from the filtered air for a cleaner, more comfortable home.

Enhanced comfort

Add a variable-speed indoor unit with Comfort-R™ to decrease sound and increase efficiency for better comfort and humidity control.

Efficient operation

Increased efficiency may substantially lower your home cooling costs.

TRANE XR14 AIR CONDITIONER

Features and components may vary by model and are shown for illustration purposes only.

1 Climatuff® compressor

TRANE's Climatuff compressor has long been the standard for reliable operation. Whether the best-in-the-industry reciprocating or the newer scroll design, you get superior durability, cost-saving efficiency and low sound levels.

2 Full-sided louvered panels

22-gauge, galvanized steel, louvered panels serve to keep the coil clean while protecting the coil surface from damaging elements like leaves, tree branches, hail and rambunctious neighborhood kids.

3 Baked-on powder paint

A finish that is virtually indestructible even if the metal gets dented. 90,000 volts are applied to the paint as it exits the paint gun. The paint gives up its electrons to the grounded metal, resulting in a smooth finish that eliminates sharp metal edges.

4 WeatherGuard™ fasteners

Tested in salt spray cabinets and in a weathering tester that simulates the damaging effects of ultraviolet light. Proven to prevent rust streaks from marring the finish.

5 Spine Fin™ coil

Engineered with internally grooved, all-aluminum tubes that stir the refrigerant and enhance heat transfer. Carefully designed to maximize the inherent efficiency, durability and low maintenance requirements of single row, radial-tube heat exchangers. Fabricated in continuous lengths with brazed connections only at the coil (or circuit) inlet and outlet. Eliminates return bends resulting in dramatically lower leak potential.

6 DuraTuff™ base pan

Manufactured to exacting standards. Will not crack, warp, corrode or rust.

7 Quick-Sess™ cabinet with full coil protection

Allows easy access to electrical and refrigerant controls. Improves installation and service time. Decreases unit downtime.

8 Compressor sound insulators

Insulation wraps compressor to diminish operating sound and create a more peaceful home environment.

XR14 AIR CONDITIONER (R-410A Refrigerant)

Model	Nominal Tons	Height (in.)	Width (in.)	Depth (in.)
4TTR4018C	1.5	33	37	34
4TTR4024C	2.0	33	37	34
4TTR4030C	2.5	33	37	34
4TTR4036C	3.0	41	37	34
4TTR4042C	3.5	41	37	34
4TTR4048C	4.0	45	37	34
4TTR4060C	5.0	45	37	34
